IT'S OFFICIAL THE BUSH IS BACK!

Fashion rag declares pubes are the new black

CAMERON DIAZ

EMMA WATSON

WE'VE said for yonks that pubes are back, but who the fuck listens to us?

No-one, apparently, but now that big-time fashion mag Vogue has jumped on the bandwagon, everyone's paying attention.

A yarn in the latest issue reckons that the bushy front-bum is replacing the Brazilian as the current moot hair-style of choice.

New York gyno Dr. Eden Fromberg said: "Women are becoming increasingly aware that our bodies are a lot more than the visual or sexual playthings that past cultural norms implied."

What we THINK that means is that the modern chick likes looking as if she's got a possum stuffed down her undies, and bugger what anyone else thinks.

Gwyneth Paltrow, Lady Gaga, Cameron Diaz and porn star April O'Neil are just a few of the celebs rockin' a FRO BELOW these days.

There's even been a wave of babes who had their pubes LASERED OFF to be cool now getting PUBE TRANSPLANTS so they can be trendy again.

So next time we tell youse what the new trendy sheila's smoo do is, you'd better fucken believe us! The Picture

NEW TITS ON THE BLOCK

DOUBLE ECKEB

Leanna Decker is twice as nice!

ARANGA from the deep south of the USA, Leanna Decker is the hottest thing on two legs since that bloke in NT went and put a firecracker up his clacker.

She's so hot that she actually does heaps of modelling with her clothes ON, and STILL GETS PAID the big bucks! Now that's hot!

Fortunately, Leanna has got very nude indeed for the lucky readers of THE PICTURE so youse can scope out all of her FULLY FINE bod with her double-D delights, not to mention her FLAMIN' NOGGIN.

Yep, they breed 'em hot down there in Ashland, Kentucky, where 26-year -old Leanna hails from.

What is it about you southern babes, Leanna? What's the buzz?

RED ALERT!

NEW TITS ON THE BLOCK

"Well, we have manners, which is a plus. Also, we know how to get down and dirty. I won't tell all my tricks but let's just say I know how to make my man happy."

We bet he's grinning so hard he can't chew his lollies. Tell us something about rangas we didn't know.

"Redheads have a higher pain tolerance, so we're not wimps."

When's your favourite time to get squishy?

"When I first get out of the shower. Wet hair – don't care!"

OK, now what's you're greatest sexual dream?

"To be locked in a chamber of fantasy for a week-long sex-a-thon."

We can get beer and pizza sent in! It's a date! Picture

FRANCE!

Katerina Hartlova has been in porn for many years now, but she always wanted to try swinging. Unfortunately, it wasn't as exciting as she'd hoped.

MADRID!

Industrial sabotage hits the fashion biz. This model didn't realise when she was putting on this shirt that someone had already got to it with some scissors.

NEWS FLASH

THIS SHIT REALLY HAPPENED!

IT'S A DONKEY!

A VISITOR to Cairo's International Garden zoo reckoned this so-called zebra on display was bogus, so he took a picture which showed clearly that it was actually a donkey painted with black and white stripes. The big ears and the smudged paint pretty much give it away. After he chucked it on social media, the zoo back-pedalled saying it was a "special" zebra, but they ain't fooling anybody. It's a fucken DONKEY.

ELECTRO-WANK

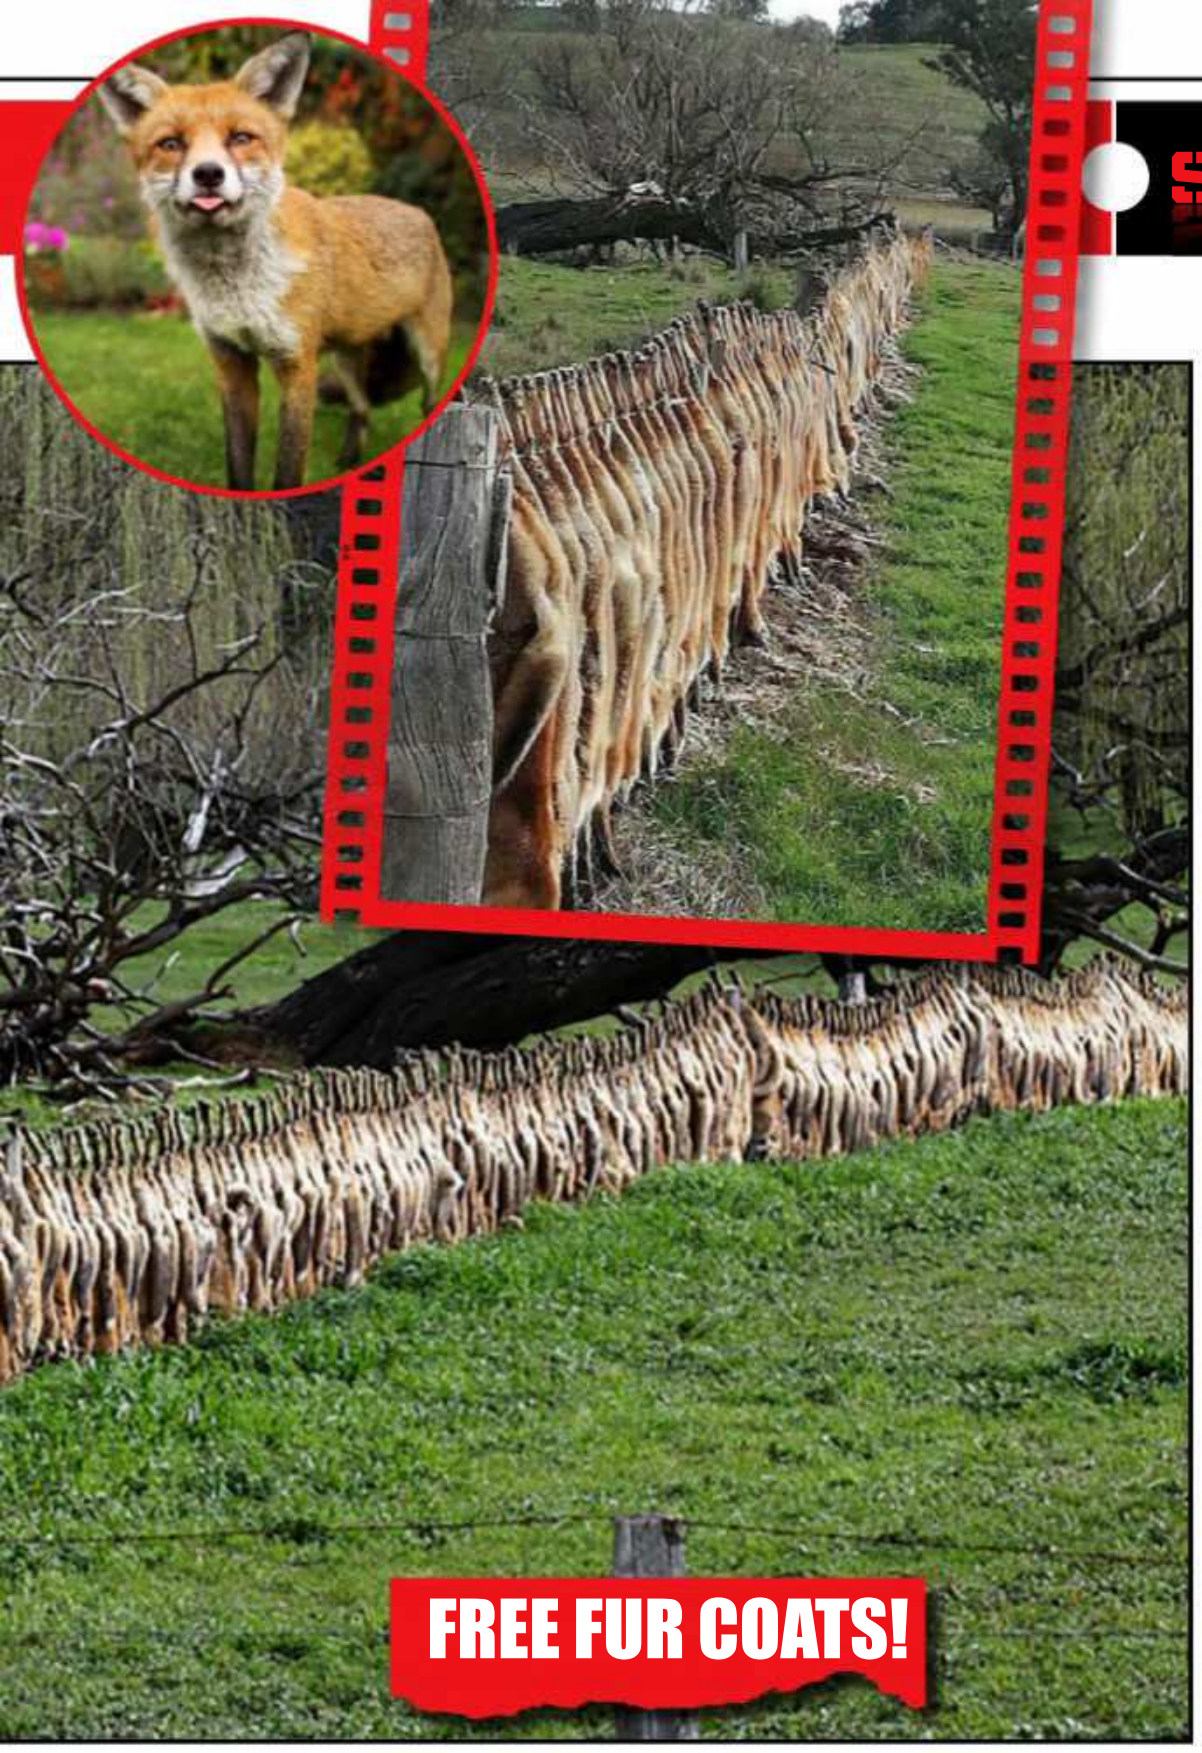
A GERMAN serial murderer electrocuted himself in his cell at Bochum Prison killer by WANKING while hooked up to a live electrical outlet. Egidius Schiffer, known as the Aechen Strangler, was jailed for the murders of five women. He was found dead in his cell after hooking up a table lamp to clamps on his nipples and dick and STROKING ONE OUT.

OUTFOXED

FOXES are feral cuntoxen that don't belong in Oz, so we're FUCKEN PLEASED to show you this magnificent display of around 300 of the bushy-tailed bastards' corpses, delicately HAND-KILLED by a farmer near Guildford, in Victoria. Look at this, think of all the local furry pals they WON'T EAT now, and feel all warm inside.

NUT ALLERGY

A RUSSIAN bloke had his balls, cock and nipples surgically removed as part of his on-going effort to become a COMPLETE FUCKWIT. Adam Curlykale, 32, from Kaliningrad, flew to Mexico to have the op, 'cos he reckoned the stray bits "interfered with the aesthetic enjoyment" of his body, which he has had tattooed almost entirely black, including his eyeballs.



FLEECE OUT

YOU know it's time for a haircut when you can hide four legs of lamb in the undergrowth. This lost hippy sheep was found wandering in the Warrumbungle Mountains, near Coonabarabran, NSW, and when it was shorn, yielded over 30kg of wool. Christened Shrek II, the de-fleeced champion has been given a new home on a nearby farm.

DEMOLITION DERBY

PHILIPPINES President Rodrigo Duterte apparently hates fancy-pants car smugglers as much as he hates drug dealers. The crazy bastard ordered A$7.53million worth of illegally imported Porsches, Mustangs and Lamborghinis, as well as a bunch of Harleys, to be SMASHED TO FUCK with a bulldozer just to stick it up the smugglers who'd been trying to avoid paying import duty.

WHEN TITS ESCAP

Freedom-loving funbags head for the hills

MIRANDA KERR

The Aussie supermodel's boobs spotted their chance and just went for it.

WE DON'T call tits "chest puppies" for nothing.

Like puppies, they're lovable bundles of joy, cute as hell and great fun to play with.

And, like puppies, they can be cheeky little buggers. The moment your back is turned they can make a bolt for freedom, and the next thing you're chasing them through traffic. The puppies, not the tits.

When tits escape you don't need to do much except sit back and enjoy the show.

The good thing is they never go far and they always come back when you whistle.

Just give 'em a pat and a biscuit for being such good little fellas. Picture

BRAZILIAN SOCCER FAN

She should've known they weren't going to stay locked up for the World Cup!

MARY CAREY

The porn legend's left nork is a runaway, while her rightie likes staying safe at home.

ALICIA ARDEN

Baywatch actress Alicia's clever boobs have managed to burrow under the fence.

JEMMA LUCY

Jemma's tits are no dummies – they did a runner before she could get them tattooed.

AISLEYNE HORGAN-WALLACE

The *UK Big Brother* star's tits made their bid for freedom when she was pissed.

MELISSA REEVES

OCH aye the SMOO, readers! Like us Scots, many female celebrities love the feelin' of a wee BREEZE around their baby-makers.

Fookin' MACBEAUTLY, thousands of paparazzi swarm around them all the time, just waitin' for that wee GLIMPSE of GALLIC GINCH.

Some of the lassies go the FULL SCOT with nay undies at all, while others wear a wee strip of GENITAL FLOSS so their mam's won't be too ashamed of them.

Either way, after looking at these HIGHLAND HOTTIES, I'll be tossing the caber tonight! Picture

WE'LL say it loud and we'll say it proud – we reckon lezzos are tops!

Sure, in declaring their smoos DICK-FREE ZONES they've reduced OUR chances of pulling a root, somewhat, but we're big enough to see past that.

We just want them to be happy, and if burying their faces in each other's moots and making slurping noises does the job, well, we're happy, too.

WICKED Angels

This year's Exotic Angels event gets nasssssty

THE annual Exotic Angels Nude Calendar Model Search is more than just a hornifying strip show featuring some of Australia's – and the WORLD'S – best professional nudists.

After 18 years, it's become a major Australian cultural event – like the Melbourne Cup!

So we're FUCKEN PLEASED to announce that the 2018 bash was a YOOJ success, and that the 2019 Exotic Angels Nude Wall Calendar featuring all the girls will be on sale in October.

But if you're getting a bit ANTSY and can't wait that long, here's a SNEAK PEAK at what went down at Hollywood Showgirls in Surfers Paradise.

As well as a hand-selected team of local hotties, including this issue's ball-draining pin-up Regan Slayter (far left), the 2018 event also featured international guest Janine Jericho, from sunny CANADIA.

It was on for young and old as they all slopped them themselves with various VISCOUS FLUIDS and stripped like the dickens, but ultimately it was Janine who was given the trophy for Performer of the Year.

Oh well. Since she was a guest, we reckon it was only the polite thing to do. Picture

MUNGO'S ON TWITTER

That's right, I'm tweeting me heart out for the people. None of that what-I-had-for-brekky or I-just-done-a-big-poo stuff, just my usual classy shit. It's at: https://twitter.com/ThePictureMungo

ESKIMO PIE

THE other day while digging in my freezer, I found this. You might call me a pervert, but I'll be damned if this doesn't look like a frozen muffin. Now I wonder if my flatmate is creating ice lips sculptures from a mould or what...

B.H., BOURKE, NSW

MUNGO SAYS: We agree on one thing, B.H. – you ARE a pervert. You've proved that often enough in the past. But does this look like a frozen moot? I dunno. Maybe from some angles. Personally, I wouldn't stick my dick in it, and that's something I don't often say. Maybe you're just that tiny little bit more perverted than me, B.H.

THE ARMS RACE

MUNGO, I'd just like to stick my two cents worth in on the gun debate. Personally I'm glad Australia has tight gun control because I wouldn't want them to fall into the wrong hands – specifically my missus. Fuck knows what she'd do if she had a gun when I roll in at 2am having told her I was just stopping off for a couple of quick beers after work. I think she would've blown my head off years ago. She can do enough damage with a frying pan.

K.L., MUDGEE, NSW

MUNGO SAYS: Point taken. I'm not that keen on 'em myself, although I have to say blowing car batteries off fence posts with a .303 is a great way to kill an arvo. But they can always find their way into the hands of the enemy. And she can't be trusted.

WHO'S UP FOR SOME DESSERT?

DEAR Mungo, I would like to see more girls in the mag covered in custard and ice-cream and chocolate sauce, stuff like that. I think it's very sexy. Perhaps you could do a special feature.

P.L., NURIOOTPA, SA

MUNGO SAYS: Dear P.L., you are one sick puppy. Thank you for your suggestion, and we'll definitely look into doing something like that in the near future. I love a good dessert, me.

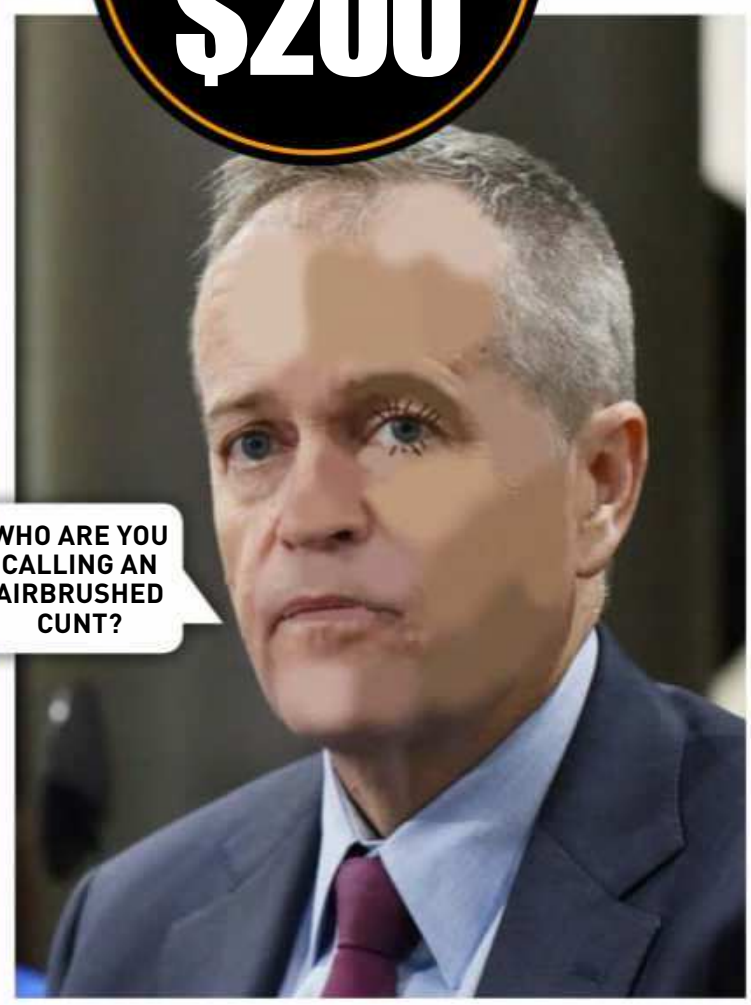
YOU CAN'T HANDLE THE TRUTH

HI. CAN we get less airbrushed cunt pics please? I only want to see natural pussy how it's meant to be. And more politically incorrect shit. You guys are the only people that tell it like it is.

M. DOYLE, NO ADDRESS GIVEN

MUNGO SAYS: As I've explained before, we'd be stoked if we could show you each and every smoo in all its moist, pink glory, but the censors reckon you can't handle it. Their theory is that if you see a natural vagina in the mag, with all its beaut crevices and flappy bits, you'll go doolally and start murdering people with an axe. Sorry 'bout that. But we'll keep trying to be as politically incorrect as possible, 'cos we don't feel good about ourselves if we haven't offended a few million people by morning smoko.



MIND YOUR EYES

MUNGO, you've got boob men, arse men, leg men, well I'm a nipple man. I love a good pair of hat pegs, and take it from an expert, Charlotte Star, who has been in your mag several times, has got two of the best I've ever seen. Can we see more of her outstanding brickie's thumbs?

MIKE, PETERSHAM, NSW

MUNGO SAYS: No problemo, Mike. We know that whenever Charlotte comes to see us we always have somewhere to hang our coats. Plus we know instantly what the wind-chill factor is. She's sex on legs anyway, but I agree, they are the cherries on the cake.

MUNGO WANTS TO KNOW...

Readers, the Letter of the Week raises a good point – what sort of stories should we go harder on, political correctness aside? Who needs a boot up the arse? Who should we piss off? Help us get REALLY offensive!

SICK PICS

YOU WON'T BELIEVE YOUR EYES

SHARK'S UP

Surfers have a code about dropping in on someone else's wave. Doesn't matter who – or what – you are, you follow the code or you get smashed. So that's PROBABLY what this three-and-a-half metre white pointer was doing off Swansea heads, near Newscastle, NSW – just obeying the code and waiting for the next wave. Local Daniel Caban was riding this nice two metre job while the frisky 'pointer was havin' a muck around out back, the two of them caught by the camera of surf photog Nathan McLaren. "When Daniel saw the photo his jaw pretty much hit the ground," said Nathan at the time. Well it fucken would, wouldn't it?

EXTREME WALKIES!

Amazing mutt runs desert race, wins medal

DOGGY STYLE!

WE ALWAYS said you have to be barking mad to run marathons. Here's the proof.

A stray mutt has run the 21-kilometre Goldfields Pipeline Marathon in WA, finishing with a time of about two and a half hours.

And he still found time on the way to lick his balls and lay out a WHIFFY GROGAN or two trackside.

The woofer, nicknamed Stormy, just happened to be hanging around the starting line when the air-horn went off, and decided he was gunna give it a red-hot go.

He even passed through every checkpoint on the course, proving he didn't DOG IT.

"Speaking with all the aid stations and marshals later, we found out he stopped at every single one," said volunteer coordinator Allison Hunter.

"I've never seen anything like it."

They gave Stormy a finisher's medal for his effort, and now he's in the local pound awaiting adoption.

GET UP YA SOOK!

...AND DON'T BE A WUSS

WHO:
Thai croc trainer

WHAT:
Croc chomped his arm

WHERE:
Chang Rai, Thailand

OUCH FACTOR
87%

YOU'D think the word would've got out by now that pissing off crocs is a mug's game.

It only gets 'em all antsy, and then they're gunna try and chomp you like a cheap pub steak.

Apparently this bloke, a trainer at northern Thailand's Phokkathara Crocodile Farm, didn't get the memo.

Video of the bloke shoving his arm down a croc's throat, presumably to retrieve his car keys, shows the croc cracking the shits and clamping its jaws down, followed by screams, panic, geysers of of blood, etc.

Khun Phusawit, who shot the video, said: "The show was very good until that happened. The crocodile seems to not like having the hand in his mouth."

Oh, really? Anyway, Thai croc trainer bloke, stop annoying the wildlife.

And GET UP, YA SOOK! ■ Picture

SUN'S OUT, BUNS OUT!

IT'S all goin' on for Regan Slayter at the moment. She's this week's *PICTURE* pin-up, in September you'll be able to see her getting very rude indeed in *100% Home Girls* issue #113, and just recently she WOWED the CROWD at the annual Exotic Angels calendar girl nudefest (see page 30 for our IN-DEPTH coverage).

But between all the brou-ha-ha, the Byron Bay-based stripper still found time to stop for a moment at the beach and unveil that stupendous bod to a bunch of lucky surfers and seagulls.

So life is good, Especially if you're a surfer or a seagull.

So, Regan, how was the Exotic Angels event – make any new friends?

"I won Miss Dreambody 2018, which I was very happy about."

Not so shabby. OK, let's get RUDE – what's your fave possie for DOIN' IT?

"I love doggy 'cos the guy can grab me, pull my hair, chuck me around and just completely dominate me."

Choice! Ever had a threesome? Please say yes...

"Yes, with two other girls. We'd had a few drinks and started getting frisky and began making out and decided to just go for it, so we went out onto the balcony, which was overlooking all of Surfer's Paradise and fucked each other out there."

Every girl has a hot, sticky, UNFULFILLED sexual fantasy – what's yours?

“WE WENT ONTO THE BALCONY AND FUCKED”

#1463 PIN-UP

"I HAD SEX AT A CEMETARY"

"I'd love to go to a day spa and get a sexy massage from a smoking hot chick. She'd start with a nude massage, then when she gets to my bum she'd make her way between my legs and start fingering me. Then we'd go and get all hot and steamy together in the spa."

Ay-carumba! We'll pay that one. Where's the weirdest place you've been naked?

"In a graveyard. I like all that witchcraft stuff, so a partner and I went and had sex at a cemetery."

Did any spooky shit happen?

"I could definitely feel eyes watching us and I could feel a presence which was a little bit creepy, but we were in the heat of the moment so we just kept going."

If you could root any celebrity from history, who would it be?

"Definitely Jim Morrison."

We hear he hangs out in a graveyard these days, so it may happen!

MY WORST FUCK

READER'S ROOTS FROM AROUND OZ

MINE, ALL MINE!

I'M A horny chick in the mining game, where fortunately there are a lot more men than women so I can take my pick.

One night around the after-work barbecue I was chatting with two guys, Tyson and Dave, who work on heavy equipment maintenance. I have zero self-control in the presence of good-looking men so I started flirting with both of them.

The conversation soon turned to sex, which led to me asking them if they'd ever had a three way with a colleague. They said no, so clearly I needed to make this happen. I told them I had some booze in my room if they wanted to come grab it for their shift change later.

Actually, I lied – the only things in my room were my unmade bed and a bottle of lube. Once we were all there I took off my top, got on my knees and proceeded to suck Dave's dick, before moving onto Tyler. Next thing I was being throat fucked by Dave while Tyler licked my steamy vagine, which he was very good at. They both fucked me, but they just had average cocks, and unfortunately after 20 minutes it was all over.

I was full of semen but a bit disappointed, so I galloped back to the barbecue pit, where I knew Marty, one of my regulars, was still hanging around.

Soon I was unzipping Marty's pants behind a concrete wall and taking his lovely dick in my mouth.

We high-tailed it back to my room where he finished the job the other two had started, and doing it properly this time, coming twice in my flogged-out snatch and once in my arse. I now felt like a human pump-pack – if you pressed down on my head I'd ooze of semen! It was a magic evening, but now it's time to rest my vagine for the upcoming shutdown as I'm sure it will ensure I get copious amounts of uncharted dick.

THE MONEY SHOT

AS A security guard, I occasionally get the job of transporting cash in an armoured car. With everyone going cashless it's getting rarer so it's always a thrill to see all that moolah.

One day I was rostered on for one of those runs with Jeannie, a hottie who runs triathlons and is also an expert in taekwondo.

I knew Jeannie from previous gigs, and I was looking forward to working with her again, not only because she was great at her job but also because I knew she was a horny thing who didn't mind a bit of spontaneous nooky if the opportunity arose.

We did the pick-up and were heading back when the truck started sputtering and the driver said we'd have to pull over and wait for assistance.

Me and Jeannie grinned at each other – this was the chance we'd been waiting for.

We'd often talked about screwing on a big pile of money, so we asked the driver to lock us in the back of the truck while he waited for the tow.

We quickly stripped off our clothes and lay back on the sacks and boxes of cash, then Jeannie flung a tanned leg over me and took control.

I could see the dragon tattoo on her thigh moving as her muscles rippled back and forth with her strong pelvic thrusts.

I looked at the probably hundreds of thousands in cash around us, then up at this amazing Amazon woman pumping away on my cock and thought to myself, "It doesn't get much better than this."

We had to be very quick, so we tore into each other in a massive sweaty fuck, got dressed again and rearranged the money.

The driver gave us a wink after he let us out, 'cos he knew what we'd been up to, and me and Jeannie grinned at each other.

There's another one crossed off the bucket list.

TUNE ME UP

I HAVE a bastard of a boss at the garage. He's always booking in more cars that we can handle, then fucking off to the pub. We hate his guts.

So it was a gift from heaven when his 19-year-old daughter Andrea brought her Golf in for a service while he was off getting pissed.

She was a spoilt little rootrat, with legs up to her armpits, fantastic tits and a hot arse, so when she said she'd hang around at the garage while I worked on the car I didn't mind at all.

She was wearing a pair of denim cut-offs and a loose shirt with no bra, and straight away she was shoving her tits in my face and bending over to make sure I got a good look at her butt.

In no time I was pitching a sizeable tent in my overalls, so when she went into the office I followed and asked if there was anything specifically wrong with the car I needed to check.

"Nah, but I wouldn't mind checkin' you out," she giggled, reaching over and grabbing my boner.

Thinking quickly, I locked the office door and pulled the blinds down before turning my attention back to Andrea.

She sat on her old man's desk and spread her thighs so wide that her pussy lips were hanging out the crotch of her little cut-offs.

"How about you check my lubrication?" she said with a wicked smile, so I knelt down, pulled off her shorts and gave her a good growling out.

Her lubrication was fine, so when she ripped open my overalls I had no problem sinking my dick it into her moist little fuckhole.

She wrapped those long legs around me and squealed happily as I ploughed her, and when we both came we left a nice little puddle of juices on her old man's desk. I just chucked some paper towels on top and left it there for him to figure it out.

QUESTION OF THE WEEK:
What should guys do better in the bedroom?

BALLIA // 20

BRUNSWICK, VIC

Rooting your way through Europe is a rite of passage for many young Aussies and Ballia, 20, wasn't about to miss out on that. "I fucked more guys in the three months I was away than my entire life before then," boasts the horny hottie. ***How many nationalities did you tick off?*** "Five. The best was this Italian guy I fucked on the Amalfi Coast. He was a local and had an amazing apartment overlooking the ocean. I spent three beautiful days there with him just eating delicious foods, drinking expensive wine and fucking in the sun on his balcony." ***Wasn't tempted to shack up with him?*** "No, he was a fair bit older than me and was a little bit weird. I think I could only date Aussie guys." ***You little ripper!*** **WHAT SHOULD GUYS DO BETTER IN THE BEDROOM?** "This is before the bedroom, but kissing!"

VANESSA // 26

GEORGICA, NSW

French leather worker Vanessa, 26, likes "showing my nude body to help people remember every body is different and beautiful, too". ***That fine thatch of pubes is certainly different – and pretty damn beaut.*** "Being nude is the most natural thing." ***Is that what prompted you to send us photos of you unclad?*** "I like challenging myself to realise I can be a bit more free: and bit more me every day." ***We'd be stoked to see all of you every day, too.*** "Allowing ourselves to be seen not only without clothing but also without the masks of whom we are trying to be is one of the most powerful practices towards true freedom."

WHAT SHOULD GUYS DO BETTER IN THE BEDROOM? "To let go of the expectations and the fantasies to give place to the magic of being deeply connecting in the present moment with full acceptance and love."

PORT MELBOURNE, VIC

ISSUE 1456

Do you prefer tradies or guys in suits? You have a nice body; are you into swingers' parties? I'd love to take you to one.
SIMON, DANDENONG, VIC

ELLA SAYS: ***Definitely guys in suits! No, no swingers' parties but I like going to classy bars where the guys all wear suits and are open to a few martinis.***

DAISY MAE // 24

FITZROY, VIC

ISSUE 1460

Do you send nude selfies? If me and my friends can't meet you in person, we would love to get a special nude pic.
KODY, BURLEIGH, QLD

DAISY SAYS: ***Thanks. I do normally send nude selfies to guys and girls I've met. Maybe if you're lucky you will get one one day.***

"I'll convince him to go down on me"

CHLOE // 22

GERALDTON, WA

Heard of that saying 'Mother knows best'? Well Chloe reckons it's all HORSE SHIT. "Mum always said not to talk to strangers," explains the 22-year-old retail assistant. "But how would I ever have a one-night stand if I did that!" ***Wise words. Do you participate in RANDOM ROOTING often?*** "Not heaps, but I wouldn't turn down a cute guy if he approached me. I know some girls play hard to get on principle, but I think they're dumb dumbs." ***We agree. Ever get any dud roots?*** "I've had a couple. If a guy comes too quickly, then I'll convince him to go down on me for a bit so it's OK. The worst are the guys who think they're awesome and just try and jackhammer me for as long as possible." ***What would you recommend?*** "Mix it up – change the pace, technique, whatever, just don't non-stop slam as hard as you can!"

WHAT SHOULD GUYS DO BETTER IN THE BEDROOM? "I think I just answered that! But change things up often."

"Eating a girl out well is a rare skill"

IVY // 27

GRAYS POINT, QLD

"I got busted fucking one of the chefs in the walk-in freezer," says 27-year-old café manager Ivy. ***Who busted you?*** "One of the kitchen hands. He was definitely surprised. He was a very shy young man. He apologised continuously, blushed and walked out." ***What's the best thing about fucking in public?*** "The freedom and the look of disgusted interest on people walking by. They try not to look like they're enjoying it, but you can tell that they are. The chicks get the shits hard." ***Do you do a lot of public rootage?*** "Probably a lot. Most of the time I don't even look around to see. I just do what I do and if anyone sees it, well, good for them. Free live porn."

WHAT SHOULD GUYS DO BETTER IN THE BEDROOM?

"Eating a girl out really well is a very rare skill these days. Guys, learn to eat the woman properly."

ZENA // 27 & GISELLE // 21

PARA HILLS, SA

"Zena has a good bum," says 21-year-old Giselle. ***And what would you like to do to those big 27-year-old boobs?*** **Giselle:** "What haven't I already done with her gorgeous breasts? Girls in general are just totally hot. They just look so nice." **Zena:** "Giselle has a great set of boobs and a firm tummy." ***Do you like swimming naked?*** **Giselle:** "Yes, you don't get tan lines." ***Do you do it often?*** **Giselle:** "Not in my own personal pool, but there is a water reservoir not far from where I live where I swim naked frequently." ***We imagine those boobs sit nicely in a pool.*** **Zena:** "Yes they do. They are so soft and wobbly; they feel like jelly and are really slippery."

WHAT SHOULD GUYS DO BETTER IN THE BEDROOM?

Giselle: "Guys should stop focusing on trying to make us both come and just enjoy the journey."

Zena "Slow and deliberate caresses."

GI GI // 22

BAROSSA VALLEY, SA

Why are red heads hot? Twenty-two-year-old webcam girl Gi Gi has a theory. "We're a little bit feisty, a little bit flirty but extremely freaky. We're a walking talking fire emoji." ***What's the highest number of orgasms you've had in the one webcam shift?*** "I've lost count! If I'm horny it doesn't take very much for me and I'll be dripping, but I've only squirted twice, and only all by myself, so I'm still practising." ***So you've got it on with a girl on camera?*** "I had my best friend from work come home with me for some fun." **WHAT SHOULD GUYS DO BETTER IN THE BEDROOM?** "Experiment! Don't be afraid to suck on those toes, spit in her mouth, slide your fingers down her throat and tell her she's doing a good job. It does help if she's a freak and wants to experiment too, though."

LUCY // 34

WOLLONGONG, NSW

Streaking is in her bones, reckons 34-year-old escort Lucy. And she doesn't mind a bit of instant replay after the match. "I've been exploring my sexuality in depth by examining myself sexually. I demand my sexual partners film us, so I'm able to critic myself for improvement. Little Miss goody two shoes over here needs to be the best fuck ever." ***We like your attitude.*** "Sometimes I'll film myself self-pleasuring on my social media accounts. I'm a huge porn fan." ***What's your fave kind of scene?*** "Two girls and one guy. But the girls really have to be into each other. I prefer amateur porn over commercial porn." **WHAT SHOULD GUYS DO BETTER IN THE BEDROOM?** "Always shower properly before having sex. Unless you're into golden showers, no-one really wants to suck day-old pee and sweat off your cock."

"Being photographed nude was an experience"

CHARLIE // 27

COOLUM, QLD

When 27-year-old traveller Charlie opened the paper one morning, little did she realise she'd spy an ad that would lead her to drop her shorts and show off her *magnifique* French nude body. "Being photographed nude was just an experience. I'd never done it before. I just looked in the newspaper in Byron Bay and I saw an advertisement, so for a joke with my friend I said I can do it." ***How did it feel when you finally slipped the shorts off over your pert arse?*** "I was embarrassed." ***Are you hooked? Do you reckon you'll do it again?*** "I don't think so." ***Have you told folks back in France?*** "My friends, yes, but not all my family." ***We're sure they'd be brimming with pride. Had you taken many nude selfies to get in the mood?*** "No."

ELLA // 25

REYNELLA EAST, SA

This 25-year-old spunk reckons her best male mate is after a threesome with her and her bloke. "I'm sure he wants one, but my man is very much a one-girl man and is very good in the sack. I fanaticise about him watching us also, as I think it's kinda kinky and seductive." ***Maybe you need to make a film for others to watch.*** "Well I think that's my next step, as I do enjoy recording my own porn for that special someone to watch. My current partner is shy, so I'm slowly convincing him to try as we speak." ***By the looks of you, he shouldn't need much convincing.***

WHAT SHOULD GUYS DO BETTER IN THE BEDROOM? "That's a tricky one. I guess it would be intimate seduction, as I feel they lack the skills, unlike us ladies who work hard to please a man in the bedroom. I love making a man feel like a king when I'm around."

While winter has kept 32-year-old KJ's swinging antics at bay, she's gearing up for a thaw in the weather. "There are lots of plans for when the weather heats up again. It's pretty cool just feeling your way around and crawling over other naked peeps and having people watch all the fun that ensues." ***Is this at clubs or do you head to someone's house for a smorgasbord of genitals?*** "I prefer a club, particularly as a lot of clubs have cool toys and awesome rooms to have a lot of fun inside. My absolute fave toy is the we-vibe; both the guy and the girl get simultaneous pleasure. I have four in my top draw at home."

WHAT SHOULD GUYS DO BETTER IN THE BEDROOM? "Try to start slow and work up with foreplay to build so much more momentum rather than going hard straight up... the orgasms are much better for everyone."

SANDY // 25

BRISBANE, QLD

Strippers: they're tops. And in Sandy's case, despite what your mum says, they're well-behaved chicks who do no wrong. *Have you had group sex?* "No, I'm a good girl." *What about some girl-on-girl action?* "No, like I said, I'm a good girl." *Had a root somewhere weird?* "That's a secret. Wouldn't you like to know!" *FUCKEN OATH we would. Besides being locked up in a convent, what else do you get up to?* "Ice-skating." *Done that nude?* "No, that'd be too cold. My nipples would freeze off." ***It'd be a bit of a shock if you fell on your awesome arse, too.*** "Ice burns; ow! I also like skydiving." *Surely you've done THAT starkers.* "No, but I want to – that'd be so cool." *Yeah, especially if you send us photos.*

"I want to skydive in the nude"

PIPPA // 27

ROCKHAMPTON, QLD

If you ask a priest, pride is a sin. But then so is playing hide the bishop with a choirboy, and as they seem to turn a blind eye to that, so we'll let Pippa off for feeling rather proud of her ample chest puppies. God bless her. "I have big, beautiful, real boobs," she boasts with plenty of justification. "All-natural!" *Do they see the light of day much?* "When I get to a nude beach. But most beaches are family beaches, so it's hard to show them off without scaring the kids." ***It's the bloody wowser parents you have to watch out for.*** *We hope you use factor 30 when you're giving them a good bronzing.* "Absolutely, I don't dig skin cancer." ***Your tits should be on a slip, slop, slap commercial.***

"I've posed for a lot of nude photos, some far more explicit than these," boasts school teacher Georgia. ***Care to share with us?*** "I will soon, I'm going to be in issue #113 of *100% Home Girls*." ***We look forward to it. Are they the RUDEST pics you've ever taken?*** "My ex probably has a whole laptop of naughty photos of me. We went through a stage where we'd take some nearly every day. I was very horny when I was younger!" ***Ever try your hand at making a FUCK FLICK?*** "Yep, we made a few of those too. We'd watch them back and wank together and then end up having sex again – it was great!" ***What a wonderful cycle!***

WHAT SHOULD GUYS DO BETTER IN THE BEDROOM?

"Jizz accuracy! I've had to wash semen out of my hair, eyes or even worse, the shaggy rug on my bedroom floor so many times!"

KAREN // 20

HOBART, TAS

She's blonde. She's single. And she likes rooting different blokes. This 20-year-old Tassie waitress is welcome at our barbeque anytime. "I moved to Tassie from Brisbane recently," she beamed. "And I'm loving being single in a new place." ***We'll need more info than that, Karen.*** "Well, my favourite position is doggy. I always end up doing it that way." ***What other stuff are you into?*** "I just like being controlled and not knowing what's going to happen next. ***Have you ever been busted doing the deed?*** "Never. I'm really careful about where I do it." ***Is posing nude for us the naughtiest thing you've ever done?*** "Probably. And this is the second time I've done it. A few people recognised me last time and we had a laugh."

WHAT SHOULD GUYS DO BETTER IN THE BEDROOM? "Last longer. Two minutes just isn't enough."

RACH // 21

BRONTE, NSW

Rootable Rach, 21, digs being starkers almost as much as we dig drinking bulk piss. "Being in front of the camera is so much fun," explained the exotic dancer. "I get turned on knowing so many men are looking at these shots." ***What else gets you in the mood?*** "I like handsome tradies and guys with lots of confidence." ***Your favourite thing to do in the sack is…*** "Being on top, but I'm also great at deep-throating. And nobody has ever complained about that." ***That's a big ten-four, good buddy. Where's the best place you've had a quickie?*** "It was in a change room. People were banging on the door, but we kept going. I'd like to try it in a public park someday." ***Are you single at the moment?*** "Yes, just recently. The best way to pick me up is to act cool and not try too hard. You will know if I'm interested." ***Our mate Mungo's single. We'll let him know."***

WHAT SHOULD GUYS DO BETTER IN THE BEDROOM? "For starters, they should learn where the clitoris is."

GO FACT YOURSELF!

CROC ATTACKS

01. Since 1971, there's been an average of 2.3 croc attacks per year in Australia, 27 percent of which have been fatal.

02. Geoff Bolitho was fishing on the East Alligator River, NT, when a four-metre salty leapt from the water and CHOMPED him on the noggin. He managed to escape and reported the incident to rangers, who shot the croc the following day.

03. During the Battle of Ramree Island during WW2, Allied soldiers forced 1000 Japanese troops into croc-infested swamps at Ramree Island, Burma. It's estimated only 20 survived the night.

04. In 2014, while trying to salvage some geese he'd just shot, Stephen Moreen was wading in a Top End watering hole when a saltwater croc grabbed his arm. He managed to escape by jabbing the leathery cunt in the eyeball with his fingers.

05. Lolong, the largest salty ever captured, measured 6.17 metres. He was caught in the Southern Philippines, suspected of killing a farmer and a 12-year-old girl, and died in captivity in 2013.

06. In 2003, three mates were attacked by a salty while cooling down in the Finniss River, NT. The four-metre croc killed one and spent 22 hours circling the tree in the river into which the other two had climbed. A police chopper eventually winched them to safety.

07. Belgian tourist Stefaan Van Turnhout suffered a minor bite on the knee while holidaying at Cape Tribulation. The DINGBAT wanted a pic with a croc so he walked into known croc spot, Myall Creek, and splashed about hoping to attract one. It worked. But apparently stupid doesn't taste good.

08. Yank model Ginger Meadows, 24, came to Australia in 1987 after seeing Crocodile Dundee. Despite being warned not to swim at Cascade Falls, Darwin, she and a mate jumped in. Only her mate came out.

09. A croc named Gustave, who prowls the Ruzizi River, Burundi, in Africa, is the most human-chompingest croc alive. He's rumoured to have DEVOURED as many as 300 people.
